Our Vision & Mission

Our Vision

We strive to become Vietnam's leading logistics and supply chain company, delivering superior end-to-end solutions across all sectors to meet complex customer needs, driving business growth and community prosperity.

Our Mission

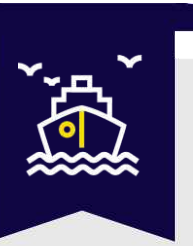

Our mission is to connect people, products, and suppliers worldwide. As a trusted logistics and supply chain provider, EXPEDITORS GLOBAL promotes sustainable global trade by delivering efficient, cost-effective solutions that drive growth while protecting people and the planet.

Our Services

Logistics is the backbone of global trade and plays a vital role in every aspect of modern life.

EXPEDITORS GLOBAL provides comprehensive logistics and supply chain solutions to fully meet the needs of customers both domestically and internationally. With a global network and a professional team, we deliver flexible, optimized, end-to-end services.

Placing the needs and strategic vision of our customers at the heart of everything we do, we continuously innovate to deliver comprehensive, sustainable, and collaborative logistics solutions that connect value and drive global growth.

Our Service | **Air Freight:**

A GLOBAL NETWORK TO REACH ANY DESTINATION

Air freight is fast-paced, challenging, and constantly evolving – driving us to be innovative and flexible in delivering the most suitable solutions for you. As global capacity and demand fluctuate rapidly, we remain committed to providing stable, reliable services that ensure your supply chain stays seamless and efficient.

Our Service | **Drayage & Domestic Truck Delivery:**

SUSTAINABLE AND COST-EFFECTIVE ROAD AND SOLUTIONS ANYTIME, ANYWHERE FOR CUSTOMERS

In a dynamic market, EXPEDITORS GLOBAL delivers flexible, efficient, and eco-friendly road and rail transport solutions that strengthen supply chain resilience and enhance competitive advantage.

We meet all requirements for speed, reliability, cost efficiency, CO₂ reduction, and visibility, ensuring stable, optimized, and sustainable transportation operations.

01

Domestic, cross-border, and multimodal transport (road, rail, waterway)

We position ourselves as your strategic logistics partner, delivering seamless intermodal drayage solutions across major U.S. ports and rail terminals. Our expert team proactively tracks vessel arrivals and plans ahead to ensure smooth operations from origin to destination, providing reliable, world-class service every step of the way.

02

FTL/LTL services with low-carbon, standards-compliant solutions (GDP, ADR)

Flexible FTL/LTL services with low-carbon, standards-compliant solutions (GDP, ADR), ensuring safe, efficient, and sustainable transport. EXPEDITORS GLOBAL is committed to providing reliable, eco-friendly logistics that meet the highest international standards.

03

Handling diverse cargo electronics, consumer goods, pharmaceuticals, and more across all distribution channels.

Handling diverse cargo: floorings, furniture, kitchen cabinets, consumer goods, electronics, pharmaceuticals, and more... across all channels with safety, efficiency, and reliability. EXPEDITORS GLOBAL delivers trusted, high-quality logistics that ensure on-time, perfect deliveries, earning customers' absolute trust and recognition worldwide.

Our Service | Drayage & Domestic Truck Delivery:

**DOOR TO DOOR SOLUTIONS:
WHERE SERVICE MEETS
COMMITMENT
WE BRING THE WORLD TO
YOUR DOOR**

Comprehensive Logistics Services: From Origin to Destination. We provide complete door-to-door logistics solutions, handling every step of your shipment with precision and care ensuring smooth, timely, and cost-effective delivery.

01 Dedicated team for documentation and customs support

Our expert team ensures accurate paperwork and smooth customs clearance, minimizing delays and ensuring compliance.

02 Full visibility and control from pick-up to delivery

We provide real-time tracking and proactive management at every stage, so you always know where your shipment is and can stay in control from start to finish.

03 Strong global network and reliable carrier partnerships.

We leverage a trusted worldwide network and dependable carriers to ensure efficient, on-time deliveries across the globe.

04 Time and cost optimization for your supply chain.

We streamline operations to reduce transit time and lower logistics costs, boosting your supply chain efficiency.

Our Service | Customs Clearance:

SOLVING CUSTOMS CHALLENGES AND OPEN-UP
TRADE OPPORTUNITIES FOR CUSTOMERS

At EXPEDITORS GLOBAL, our global customs brokerage network and local compliance expertise simplify international trade and ensure smooth operations.

We design tailored, compliance-driven solutions to meet the unique challenges of your supply chain and make global trading easier than ever.

Performance tracking, consolidation, and centralized billing.

 **Our Service | Warehousing & Distribution:**

FROM STORAGE TO DISTRIBUTION – THE PATH TO OUR CUSTOMERS’ SUCCESS

At EXPEDITORS GLOBAL, we take pride in providing comprehensive logistics solutions, combining global standards with local insights to build trusted partnerships that adapt with agility and exceed customer expectations.

Short-term & Long-term Storage

With 1,500 m² of fully equipped warehouses in Hai Phong and Ho Chi Minh City, we ensure optimal storage conditions and are always ready to meet customer demands quickly and efficiently.

Inventory Management

By integrating advanced technology into our operations, we ensure efficient order and inventory management, maintaining the highest product quality until goods reach customers.

Bonded warehouse Domestic & international distribution

Our bonded warehouse services support import and export operations, helping clients save costs, reduce customs clearance time, and enhance supply chain flexibility.

Our Service | **Cargo Insurance:**

PROTECTING EVERY SHIPMENT, SECURING EVERY SUCCESS

Carriers often cover only limited liability for cargo damage, leaving shippers exposed to unforeseen risks. With Expeditors Global's Cargo Insurance, your goods are fully protected against loss or damage under global standards and tailored clauses. We provide comprehensive coverage for almost all cargo types, including bulk and hazardous goods, ensuring peace of mind throughout every shipment.

We are committed to protecting every export shipment until it reaches the customer safely. At Expeditors Global, your trust is our responsibility, every cargo is safeguarded with the highest level of care and reliability.

EXPEDITORS GLOBAL IS DEDICATED TO THE HIGHEST STANDARDS OF INDUSTRY CONTROL AND SERVICE

Why Choose Us?

A leading provider of multi modal supply chain solutions. Global contracts with all major airlines and shipping lines.

Dedicated and experienced team of professionals. IT capabilities, track and trace and web base online.

Implementing eco-friendly solutions and optimizing costs and enhancing your competitive edge.

We strive to serve our customers in the most cost- effective manner, by offering the complete range of services - one stop shop.

Our global contracts with main shipping lines and airlines carriers enable us to provide our customers with most competitive rates.
